**Textile finishes to unleash your imagination.**

Capture the warm and comforting ambience that only fabric can provide. DecorTouch bonds thousands of tiny fabric fibres to give the magnificent look and feel of a stunningly sculpted fabric surface.

- Select from our myriad of standard colours or create your own.
- Soft velvety touch.
- The variety of perforation patterns and shapes (including panel edge profiles) that DecorTouch can be applied to, is virtually limitless.
- Beauty without visible seams.
- Little restriction in panel thickness allows for impressive definition.
- Dramatically increases acoustic performance.
- Unperforated panels can also be finished in DecorTouch: matching or contrasting allows the whole interior to be coordinated.
